

Download 2015 Ducati Multistrada Owners Manual

I don't suppose anyone has come across a PDF of the owners manual for the 1260? I couldn't seem to find one on Ducati's website, but didn't know if there was one lurking somewhere under some different links because they've made some big changes to their website of late. Ducati do have a, what I consider, a brilliant run-in protocol: Lots of up hill, twisty (so gear changes) roads. Preferably two-up. I've always felt that the run-in process is 90% first 100 miles, by 200 I reckon it's as good as done with regards to the piston ring/bore relationship. The encounters of two opposite worlds: the relaxing cruiser low speed riding typical of a cruiser and the emotion of a sporty ride, in a Ducati Style. The encounters of two opposite worlds: the relaxing cruiser low speed riding typical of a cruiser and the emotion of a sporty ride, in a Ducati Style.
