

Download An Assessment Of The Community Mental Health Movement

About Community Mental Health. The community mental health movement in this country was founded on the belief that mental health services are best provided in the community in which the person receiving such service lives. By engaging with The SHAPE System in any way, your school or district mental health system will become a part of the national school mental health movement toward accountability, excellence, and sustainability. Mental Health and Addictions Service Community Outreach Services. The St. Michael's Mental Health and Addictions Community Outreach Services provide interprofessional team-based care to adults experiencing mental health and concurrent disorder difficulties. Mental health and mental illness. According to the U.K. surgeon general (1999), mental health is the successful performance of mental function, resulting in productive activities, fulfilling relationships with other people, and providing the ability to adapt to change and cope with adversity.
