

# Download Boat Engine Repair Schools

Search accredited online and campus-based schools that offer training programs for Small Engine Repair Certification. To Magazine Home Page. Fixing Boat Propeller Problems. By Bob Musselman. Here's how to diagnose and remedy common problems. With all due respect to the captain, the propeller drives the boat. Gelcoat Scratch Repair. By Don Casey. Surface scratches can be buffed out of gelcoat with polishing compound, but deep scratches must be filled. When the gelcoat surrounding a scratch is in good condition, the filler of choice is gelcoat paste, which provides both filler and finish in a single application — but not a single step. INDEX. A. Precision Boat Works B. Designer C. Sales D. Used Boats E. Outboard Engines F. Factory Options G. Dealer Options H. Past Production Boats I. Miscellaneous Tech Questions, Boat Engine Repair Schools.
