A team of experts in the field of human sexuality and health examines the current AIDS crisis, publishing the results of a national survey that indicates the rapid spread of AIDS among heterosexuals

CRISIS: Heterosexual Behavior in the Age of AIDS. In 1947, he joined the faculty of the Washington University School of Medicine and became an authority on hormone-replacement therapy for aging women. In 1954, he began the research into human sexuality and hired Virginia E. Johnson as his assistant in 1957. Kolodny, Human Sexuality (1982), Crisis: Heterosexual Behaviour in the Age of AIDS (1988), and Heterosexuality (1994). Masters and Johnson were heavily criticized for Crisis, in which they claimed that HIV/AIDS could be contracted, in theory, from objects such as contaminated contact lenses, provoking irrational fear...

Crisis: Heterosexual Behavior in the Age of AIDS 4.25 · Rating details · 4 Ratings · 0 Reviews. The aids virus is now running rampant in the heterosexual community. Unless something is done to contain this global epidemic, we face a mounting death toll in the years ahead that will be the most formidable the world has ever seen.
