1 Ethical reasoning The word “ethics” refers to matters of right and wrong. Whether or not to cheat is an ethical issue. Whether or not to dry your dishes with a dishtowel as opposed to letting them air-dry is not an ethical issue. Normative ethics is the study of ethical action. It is the branch of ethics that investigates the set of questions that arise when considering how one ought to act, morally speaking. The Foundation is a non-profit organization that seeks to promote essential change in education and society through the cultivation of fairminded critical thinking--thinking which embodies intellectual empathy, intellectual humility, intellectual perseverance, intellectual integrity and intellectual responsibility. It can be very difficult to be critical of an idea and the arguments surrounding it. There are many traps, fallacies and deceptions that can confuse you.
