Create an account or log into Facebook. Connect with friends, family and other people you know. Share photos and videos, send messages and get updates. For help with the Messenger app or messenger.com, visit the Messenger Help Center. Facebook has limits in place to prevent behavior that others may find annoying or abusive. These limits restrict the rate at which you can use certain features on the site. These are options on your Facebook Settings Page on Facebook. Additionally your Posts should have a Global Icon with the words Public when you hover over it. This is an example of where you should be setting all posts public for a personal account. Facebook users are reporting problems logging in Sunday, with many hitting a page titled Facebook Error. The first reports of the Facebook Error started Saturday (US ...
