

Download Fishing Barges Of California 1921-1998

To date, it is the only book ever published on the subject. All who are interested in ocean fishing and local history will enjoy the many stories about the Fishing Barges of California 1921-1998, a forgotten era of maritime history unique to Southern California. The story of each barge, its previous trades under sail and steam, the barge industry, and the fishing of yesteryear are captured in Fishing Barges of California 1921-1998. Dryrod There is no greater fan of fly fishing than the worm! Most likely Barge fishing is a thing of the past now with the availability of 1/2, 3/4, overnight, multi-day boats filling in the gap where they can go and look for the fish instead of hoping they will come to you. FISHING BARGES OF CALIFORNIA 1921-1998 Author: Ed Ries Publisher: MONTEREY PUBLICATIONS, Apr 2000 Binding: Softcover ISBN: 0-9679247-0-7 Synopsis Looks back at the 110+ fishing barges moored off the coast of California. Covers the business, the barges & their unique histories, & of course, fishing on the barges. Illus; 8x11 inches, 104 pgs.
