

# Download Fs 932 Safe Trailering And Transportation Of Horses

room for the horse to spread its feet and balance itself while traveling. Full partitions are useful when transporting a stallion with other horses or a mare and foal. The full partition helps avoid the foal getting under the feet of other horses. Many trailers have padding on partitions and walls of the trailer to reduce scuffs and scrapes to the horse during transportation. Fs 932 safe trailering and transportation of horses ePub.
