Hope Prevails Insights from a Doctor's Personal Journey through Depression. As a board-certified neuropsychologist, Dr. Michelle Bengtson believed she was prescribing the most effective treatments for her clients who struggled with depression. Hope Prevails Insights from a Doctor's Personal Journey through Depression by Dr. Michelle Bengtson provides a unique simultaneous view of depression from clinical and patient perspectives. Both are relevant, but not often intertwined. In her book Hope Prevails: Insights from a Doctor's Personal Journey through Depression, Dr. Michelle Bengtson shares insight into depression based on over 20 years of experience working as a clinical neuropsychologist and treating people who suffer from depression. In this Bible study companion to Hope Prevails: Insights from a Doctor's Personal Journey through Depression, Dr. Bengtson, a neuropsychologist with over 25 years of experience, shares both her clinical expertise and her own personal journey through depression.
