Donald Trump, Jr. slammed Instagram on Monday after he said the social media platform forced him to delete a post he made about reports that Jussie Smollett's alleged attack might have been staged. "Are you kidding me @Instagram? What Does Direct Message or DM on Instagram . Direct Message, also known simply as DM, is an option in Instagram that allows you to send private messages to a certain Instagram user or to a group of Instagram users. Not only are you able to send private chats, but you can also use DM to send photos and videos, links, snap-like disappearing messages, locations, hashtags and more..Recently while using the Instagram I was logged out of the Instagram automatically and when I tried to ...
