

Download Introduction To Ancient Chinese Weapons

Ever wonder how samurai fought ninja? How Japanese police arrested ronin? Our list of Japanese weapons from the Edo period reveals every tool of battle. Ancient Chinese coinage includes some of the earliest known coins. These coins, used as early as the Spring and Autumn period (770–476 BCE), took the form of imitations of the cowrie shells that were used in ceremonial exchanges. The Spring and Autumn period also saw the introduction of the first metal coins; however, they were not initially round, instead being either knife shaped or spade ...
