Highly respected and popular nursing manager Ms Beatrix Stamps — who recently retired after serving Netcare Greenacres Hospital for no fewer than 21 years — took leave from colleagues at a moving farewell function attended by management and staff members. This explains the process and requirements for pre-certifications pertaining to outpatient services, procedures and hospitalization. Pre-certification is the process in which NetCare's medical management department compares a member's need for a non-emergency service to established criteria. The triage process. Because the volume of patient admissions to an emergency department cannot be precisely planned, Netcare uses the South African Triage Scale for the assessment of all patients presenting at its emergency departments.
