

Download Racing A Bsa A65

Hey Alex, Talking about cams [NOT trying to hyjack the thread!], is there a difference between the 'stock' A65 cam, and this "Spitfire" cam? Other than aftermarket cams, I am unaware of any factory cam for A65's, other than the 473 cam...The BSA A65 Rocket was released in 1964 as the new more performance oriented version of the BSA A65 Star. The BSA A65 series were beautifully designed motorcycles that never matched the sales volume of Triumph or Norton, but they're a firm favorite with collectors around the world for their good-looks, great handling, and storied history. This BSA A65 Lightning has been restored and runs excellent. Turn the ... Turn the ... The 1969 BSA A65L 650 is one of the most iconic vintage British motorcycles ever made. 1966-1974 BSA A65 Close Ratio 5 Speed Gearbox At last here it is...what all A65 owners were hoping for! A 5 speed with two ratio options, smooth modern bike shifting and installation with minimal modification required., Racing A Bsa A65.
